

## LETTER OF RECOMMENDATION

It is my great pleasure to write this letter of recommendation for Mr. Taras Rynza. I have had the pleasure of viewing Mr. Rynza's excellent professional skills during a long documentary film project.

Finnish Broadcasting Company YLE's Documentary production launched a 3 part long documentary project about the Russian war in Ukraine. Project is called **The Cold Face of War** and it is a co-production with Danish DR. For this project Mr Rynza has been working as a cameraman on a freelance basis during the year 2022 in Russia and Georgia.

Mr. Rynza approaches each task with a high level of confidence, but he also understands the importance of following explicit orders to make a production successful. He has a high level of proficiency with lighting and sound equipment.

It has been a pleasure to work together with Mr. Rynza. He has shown that he is not afraid to deal with any kind of new challenges. Mr. Rynza speaks fluent English.

If you need any further information about Mr. Rynza, please do not hesitate to contact me.

Sincerely,
